

### Remarks

Applicants have received and carefully reviewed the Office Action of the Examiner mailed June 13, 2008. Currently, claims 1, 3, 4, 6-15, and 21-23 remain pending. With this amendment, claim 15 has been withdrawn.

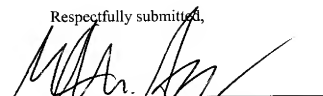

### Restriction Requirement

On page 2 of the Office Action, the Examiner requires a restriction of the claims to one species under 35 U.S.C. 121. The Examiner has identified 2 species. Species I. corresponding to claims 1, 3, 4, 6-14, and 21-23; and Species II. corresponding to claim 15. With this reply, Applicant hereby elect Species I., which is believed to correspond to claims 1, 3, 4, 6-14, and 21-23, without traverse.

Reexamination and reconsideration of all pending claims is respectfully requested. It is respectfully submitted that the claims are now in condition for allowance, and issuance of a Notice of Allowance in due course is requested. If a telephone conference might be of assistance, please contact the undersigned attorney at 612-677-9050.

Respectfully submitted,

Date: Jun 17, 2008
